I just spoke with Satpal.

He wants me to try to beat up on the Collective a little more.

What's your commentary?

Jed

OK, I have some thoughts and one or two of them feel easy and important. Satpal told Mayor he can review, so shall I share this version or the next one? What timeline are you on?

Thanks,
Janice

Janice,

This is on Satpal's desk now.

If you see anything sketchy, let me know.

It's probably going to look a little different after Satpal, Tyler and Arden get through with it, so this is basically just a first peak to give you a sense of the flavor.

Please do not share further until I send you a more finalized version.

Thanks,
Jed
